Additional Information:

- 1) The district and the state are both moving toward all computer-based MCAS testing for students. This adds a whole new dimension to the testing process. We are giving students additional practice to develop their keyboarding skills, but your support at home to do the same will be beneficial to your child. At school, we use the Typing Club for Grades 3-5, but Typing.com and Dance Mat are additional and free resources that you could use at home.
- 2) We are still looking for PTO Officers to carry on the great work that our PTO currently does to support our programs here at the Aborn. If you are interested in being part of a fun-loving team, but you have misplaced your PTO slip, simply send a note in to Dolores Dean or Rachel Allaire and we will make sure it gets into the PTO mailbox.
- 3) NOTE: We had a great turnout for our last LipSync Show meeting. If your child is going to be performing, please ask him/her to show you the lyrics of the song he/she is thinking of performing. Any lyrics containing references to alcohol, drugs, violence, or of a sexual nature are not allowed. **All song choices must be approved by Ms. Amico and Ms. Hennessey, but you can help by getting involved in your child’s choice and asking him/her to let you listen to it before they bring it to staff. The group called Kidzbop often has safe versions of currently popular songs.**
