  - ii. Students must get Part A correct to get any credit
  - iii. Part A correct, Part B incorrect = half credit
  - iv. Part A incorrect, Part B correct = no credit
  - v. Part A and Part B correct = full credit
- "PCR" (prose constructed response) instead of "open response"
- Students will have separate answer booklet
- Level I/II ELL students have Math Test read aloud
- Special Education Students and ELL Students have the full day to test if necessary

### **III. Parent Involvement**

- How can they become more involved?
- Dr. Tutwiler suggestion: "World Café"
  - i. 5 questions written down on butcher block paper for parents to carousel around and answer without having to speak in front of a group/crowd
  - ii. Possible questions to ask:
    - Do you feel comfortable getting involved in school?
    - What is the best way for you to get informed?
    - What are the 3 most important aspects of school for your child?
    - What activities do you enjoy doing with your children?
  - iii. Maybe start this on the first day of school after parents drop off or the first open house to maximize parent participation
