PJ DAY

Connery School had a PJ Day on Friday, December 21st. We did lots of activities. These were some of the activities. We watched movies and we also did a little bit of work. We colored and of course we wore our pajamas. We didn't have to wear our pajamas if we didn't want to but it was really fun to be able to! We also did it to have a little bit of fun after all of the hard work we had done in 2018. We put on our softest pajamas and slippers and had an unforgettable Pajama Day on December 21st!

Veterans Day

By: Daribel H

Veteran's Day is a day which we honor the people who fought for our country. Veteran's Day is also a day our school got a performance. It happened on November 7th 2018!

The performance was in the gym and the grades that joined were pre-kindergarten to 5th grade. Honestly I think each grade had successfully sung well. Everybody was nervous or excited about singing to the whole school. The music teacher was playing the piano. So that meant we

had to sing in the rhythm of the piano.

Some people were really, really excited for it. Meanwhile others were nervous. But I think that every class/grade did very well! Plus there was a performance at the end with soldiers flipping guns and cool tricks. Everyone was impressed.

Those all the things we did on Veterans Day, and why we celebrate it.
