SIC Meeting Agenda and Sign-in

- I. Welcome/ Introductions: See attendance below.
- II Building repair updates: **Roof is completed, ladder installed on roof, bubble test still needs to be completed, patio has to be recoated in April due to incorrect top coat used and the need for 4 days drying time and warm enough temperature requirement. No leaks from sky lights or roof as of now. Back floodlights in back parking lot were not replaced after the work was completed. Back lot very dark at night. Principal reported the problem to ISD. List of smaller jobs needs to be submitted this week. Principal asked for suggested items: handicap rail needs repair, exterior doors replaced, windows replaced, flood lights repaired, stage refurbished, school yard repaved, school drained cleaned out, pathway to Broad St repaved, move dumpsters over.**
- III MCAS Update: **Explanation of what makes up the Accountability Report. Principal and Program Specialist presents the meanings for CPI, SGP, and PPI. Reported to council the reason for delay in releasing the report due to PARCC results. Gr 3-5 in MCAS and ACCESS comprise the data.**
- V Open Comments: **Discussed the possibility not needing the March meeting due to it being too close to this meeting date. Council agreed to meet in May and then decide if we need a June date to end the year.**
- Parent- Mrs. Cristman brought up the following requests:**
- Confirmation letters when a student gets into clubs. Principal acknowledged this need as well as addressed the need to unify the ending times of extra help.
