

- All HAC username and access code information for middle schools has been sent to both students and parents.
- Any student who has not yet logged into HAC this school year will get an email to their lynnschools.org address with a new access code.
- Any parent who did not already have one should get an username and access code sent to their email if we have an email address for them in eSchool.
- **If you don't have/receive an Access Code or need help- call or email Guidance at TMMS**
