Inclement Weather

With the cold weather soon approaching, I am sure snow is on its way. The students need to follow these basic safety rules.

- ◆ No climbing snow banks/ fences
- ◆ No throwing snow/ice.
- ◆ No sliding or playing on ice/snow
- ◆ Use the crosswalk while crossing the street

All students should be wearing warm coats to school every day. Children will not be allowed to go out to recess if they are not dressed appropriately.

Let's help keep everyone safe.

Wear your favorite and funniest flannel pajamas or robe to school for a day. We will be having a pajama day on Friday, Dec. 21st. The students and staff may wear pajamas for the day just for the fun of it. Please be sure they are appropriate and are something that could be worn outside. **NO SLIPPERS ALLOWED.**

Each class will also be having a holiday celebration in their classrooms on Dec. 21st. Teachers will make arrangements for a light refreshment and an academic craft activity will be planned. Please do not send in refreshments unless you have been contacted by your child's teacher.

Kindness Rocks!

All students have completed their Kindness Rock and placed their rock in the Christopher Spagnoli garden. A big thank you to the Sewell-Anderson PTO for sponsoring this activity. This activity was taught during art classes. Students engaged in wonderful discussion about kindness as they created their kindness message on their rock. Thank you to Ms. Borne, our art teacher for leading the Kindness Rock activity. Great job everyone!

Boys' and Girls' Basketball

These teams are a privilege to be part of and no student will be allowed to be part of a team if their behavior, grades, or attendance is not where it should be. These two teams are considered to be student leaders in our school and need to represent our school, their families, and most importantly themselves at all times. I am looking forward to watching our team play this season.
