## Library Volunteers Needed

We are seeking parent library volunteers to come in on Tuesday or Thursday mornings from 8:30-11:00. This time allows classrooms to visit the library and take out books to read. If you are interested in volunteering, please contact the office.

In the event of inclement weather, the Lynn Public Schools will inform channels 4, 5, and 7 if school is cancelled. You can also find up to the minute information on the website [www.lynnschools.org](http://www.lynnschools.org) or on the City of Lynn web site.

## WINTER BREAK READING CHALLENGE

The Sewell-Anderson Reading Teachers invited our students to participate in the Winter Break Reading Challenge. A notice went home with students explaining the 9 different reading activities for children to perform. We would like to thank all the parents who encouraged their child to participate in this enjoyable reading activity. We look forward to hearing about the wonderful books you read over vacation.

## Sewell-Anderson Basketball Program

Our basketball program is up and running and games will be starting very soon. We encourage parents to come and cheer on their children who are playing on these two teams. Please keep in mind this is an elementary school program and we want to teach your children the importance of respecting their opponents, being a good sport, being a role model, and good work ethic. This also goes for our fans. We need to model for all who enter our school that we are respectful and are supportive of all the students who play basketball in our gym. We need to cheer on the players from both teams at the games. These are important life lessons for your children and will go a long way in their future.

## Connect Ed Phone Calls

Our school has the benefit of a program called Connect Ed. With this application a phone call is placed by computer to the phone number we have on file. If you are not receiving a phone call from the school about school information or school activities; please call the office (781-477-7444) with your new phone number.

The Lynn Rotary Club will be donating a dictionary to every 3<sup>rd</sup> grade student on January 8<sup>th</sup>.

THE 6 PILLARS OF CHARACTER

## The Sewell-Anderson Character Trait of January is Trustworthiness

Every month the Sewell-Anderson community explores a pillar of character. This month we will be focusing on trustworthiness. We hope you will take time to discuss with your child the meaning of trustworthiness and what behaviors are necessary to be a trustworthy individual.
