**DATE: November 13, 2020**

**SUBJECT: Audio/Video Recording and Photographs of Lessons by Lynn Public Schools Staff**

---

From time to time during the current period of remote learning, Lynn Public Schools staff may audio/video record lessons for the purposes of teacher training, professional development, and for educator evaluation purposes. For the same reasons, photographs and screenshots may be taken by Lynn Public Schools staff during remote lessons.

No single student will be focused on in any such recordings, and no personally identifiable or confidential student information will be included.

Any such recordings, photographs, or screenshots will be used for educational purposes only, and will not be shared except through systems accessible by password for Lynn Public Schools staff.

If you have any questions, concerns, or objections to the above, please alert the Principal.
