

Fall 2020 MBTA Bus Service Notice:

Starting August 30, 2020 the MBTA will resume service on most bus routes. Please note some bus routes will remain suspended or have reduced schedules so that more service can be added to allow for increased physical distancing on crowded routes. In our ongoing efforts to protect the health and safety of riders, we ask that you please remind students that face coverings are required at stations, stops and whenever riding on the MBTA.
