## **Public Speaking for Social Change, Class 2**

**Instructor: Yusef Hayes, NSCC Professor**

**Thursdays**

**6 to 8 PM**

**Annex Room: 2039**

This class further hones public speaking and group communication skills with an eye towards persuasion and greater understanding. Even though, it's the continuation of Class 1, this class is not limited to people who took Class 1. This class is *also* for participants who need to build strength, emphasis and power in their communications. Particular focus will be placed on presentational speaking around issues of gender, sexuality, race, and class; with a perspective of justice and peace.

6 weeks, once a week from 6 to 8 pm. \$65 for the 6 weeks!

**Class begins March 6th.** Register online and pay the 1st day of class
