Hello Future 7th Graders! Answer 5 of the following 7 activities. Each question must be answered in complete sentences. Incomplete answers or partially answered questions will not be counted for credit.

Character Analysis RL 7.3
In paragraph form, describe the protagonist. Include their physical description. Then cite at least two challenges she faces throughout the course of the novel.

Miscommunication is not just common in Out of my Mind but within our own lives as well. Write about a time in which you have been in a situation where you were trying to say something or couldn’t say something and wish that you could. Explain the situation, what you wanted to say and how it felt.
Advice for a Reason RL 7.6
Think of a character that could use some good advice. What would you say to them and why? Write a letter to this character and remember to provide your reasoning behind the advice (I think you need to hear this because...).

Dear ____________________,

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Sincerely,

______________________________________________________________________________

Identifying and Analyzing Theme RL 7.2
Looking back at the story, identify the theme. Explain the theme and clarify why you believe this is the theme with an example from the movie.

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________
Visualization RL 7.3

In the space provided, create a new cover or an illustration for one of the scenes. Include a short written description telling what the illustration is about.
Choose a Song W.7.MA.3.A

Pick 5 scenes from the novel *Out of my Mind* where Melody is trying to communicate with someone unsuccessfully. Explain the scene and what Melody is trying to communicate. Then pick a song that would go along with what she is trying to say. Explain why this song is a good representation for what Melody is trying to say and why you chose it.

**Scene 1:**
