**School Vision and Mission**

**William P. Connery Elementary School Vision:** To provide all Connery Elementary School students with equitable opportunities for students of all abilities and in all academic areas.

**Mission:** Connery Elementary School is a diverse, multicultural learning community that provides engaging, relevant, and rigorous learning experiences that support each student and educator in reaching their fullest potential. We believe in building an environment that fosters a social emotional curriculum for all students in a welcoming and safe learning environment.

**Supporting Goals:**

- To encourage the academic potential in every child
- To promote a respecting and caring approach to learning
- To broaden communication and engagement with community members in order to build a transparent understanding and awareness of the high expectations, standards, and rigor of each grade level
- To foster open and trusting relationships between child to child, child to adult, and adult to adult within our school and extended community
- To create an atmosphere that inspires intrinsic motivation and fosters the joy and love of learning
