Stephanie Doucette- Acting Principal

Hello TMMS Community:

We had a short week with the students but managed to squeeze in a lot of learning. The staff worked on PBIS, Academic Discourse, EL Strategies and Data Protocol use at our professional day. See the pictures below. Next week we start the second quarter! Report cards for quarter one will be available on Friday, November 18th. This week we have a half day on Wednesday so the staff can continue their learning on race and equity. The school is holding their first dance on Thursday November 17th for Grade 06 students of TMMS. Students can purchase their tickets at school during lunch.
