*Dignity - Respect - Effort - Achievement - Motivation*

Stephanie Doucette - Interim Principal
We are halfway through 1st Q and Progress Report grades are being released. If you do not receive your student’s Progress Report via School Messenger, please contact your student’s Guidance Counselor. Our staff will be creating their Student Learning Goal next week and our common focus will be on Academic Discourse. The goal for all staff is to have students use content-based vocabulary during speaking, writing, listening and reading activities. If you would like to learn more about our School Goals, check out our School Improvement Plan on our website. We had a very successful Open House including a PTO Table, Tech Night and Yard Sale. We have a PTO Facebook page and will soon add to it- we are always welcoming new members! Thank you to our student volunteers. Lastly, club sign ups were this week. There is still room in many clubs. See our website for club information. Students can get permission slips in the Main Office. I hope you enjoy the pictures below.
