**WEEK 8**

**October 28, 2022**

**D.R.E.A.M.**

**Dignity - Respect- Effort- Achievement- Motivation**

**Stephanie Doucette- Acting Principal**

*We are wrapping up October and have lots to celebrate. Students are settling into their classes, and it is a pleasure to walk through to see them learning. This week we celebrated students who made significant progress in Math on the MCAS. We are organizing and sending out MCAS scores to families soon. PTO had a successful meeting on Tuesday and planned lots of fun events and brainstormed fundraising ideas. After school clubs have started and our fall sports have come to an end. Thursday Project YES and the Honor Society helped run a Fall Pumpkin Patch for some of our students. You can see pictures below. Congratulations to our athletes for completing the fall season with sportsmanship and athletic ability! Bulleted below are a few areas that we are noticing we need help with. Please speak to your student about these areas.*

- ❖ **Cell Phones**- Call phones are not allowed during the school day
- ❖ **Restrooms**- Students are damaging restrooms and not following rules
- ❖ **Technology**- Students must bring their computer with them every day to school
- ❖ **School ID Lanyards**- Students must wear these around their necks
