Meet Mr. Rooks

Greetings! This is my 8th year teaching here at Thurgood Marshall. Before I became a teacher I worked in the computer industry for almost 20 years.

I am looking forward to a fantastic year with the students. Hopefully, while we are learning about Ancient Civilizations and ourselves, we will have a little fun as well.

Class Content:

This year students will be studying:

Geography, Early Man, Ancient Mesopotamia, Egypt, Judaism, Christianity and Islam

Office Hours:

I will be holding official office hours for 1 hour a week on Thursdays from 3:00 – 4:00.

This is a time where students can come in to make up work or do homework. I am also available throughout the week as student needs dictate.

Materials Needed

This year, students are expected to have their own Binders, Pencils and Folders. Mr. Rooks will provide notebooks for each student.

EXPECTATIONS

Mr. Rooks expects all students to:

Be Prompt

Be Respectful of themselves and others

Be ready to learn

Be Present
