2022-23 School Year

Dear Parent or Guardian:

We are pleased to inform you that Lynn Public Schools will be continuing the Community Eligibility Provision (CEP) while participating in the National School Lunch and School Breakfast Programs for School Year 2022-23.

## **What does this mean for you and your children who attend any Lynn Public School?**

Great news! All enrolled students are eligible to receive a healthy breakfast and lunch at **no charge** to your household each day of the 2022-23 school year. Your child (ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application.

This means each student is eligible for ONE complete breakfast meal and ONE complete lunch meal at **NO CHARGE**.

If your child wants to purchase a second entrée, a juice, milk or other ala carte items they will need to have money on their account or pay with cash. There will be no charging on accounts allowed for these items going forward.

If you have any further questions, please contact the food service office at 781-477-7220.

Sincerely,

Food Service Department
