

# hi, we're revolution foods

it's nice to meet you! we serve high quality meals and snacks to students across the country. our food is made by hand in regional culinary centers and delivered fresh to your school fresh daily.

**food for thought:** we believe great ingredients and balanced nutrition help support growing minds and bodies, setting your kids up for success in the classroom and beyond.

## we have principals too

Ingredient standards founded on 4 core values:

### 1 kid-inspired, chef-crafted

Food kids love to eat, done right. from our pasture-raised beef hot dog to our white-meat chicken bites, we design our menus to delight the toughest critics we know...kids!

### 3 nutrition

Our meals *exceed* USDA standards for child nutrition. we serve fresh fruit and rBST free milk with every meal, along with a variety of whole grains, vegetables, and quality protein.

### 2 high quality

Our clean label standard means there's a lot you won't find in our meals: no artificial colors, flavors, or sweeteners; no high fructose corn syrup, and 40+ other banned ingredients.

### 4 choice

Food is personal. Different menu items featured every day, condiments offered on the side, plus new meals introduced regularly!
