SCHOOL IMPROVEMENT GOALS

YEAR 3

Provide specific instructional strategies, tools, and professional development to the faculty in order to meet the needs of EL students in the classroom.

Teachers will meet the needs of diverse learners by providing rigorous standards-based instruction.

Looking at a different focus for SY'22

relationship building

want to be seen in every classroom

developed pre-covid and looking to create a new plan to start next year

we will always have this and incorporated blended learning this year
