SCHOOL WIDE PROGRAMS

• La Respuesta- Has started
• MYCAP- My College and Career Planning
• Acceleration Road Map- Three pillars- Sense of Belonging, Monitor Understanding, Strong Instruction
• Reimagining Schools-Student, Staff and Parent Survey
STAFF RESULTS

- 87 People took the survey
- 54% of teachers who took the survey agree that there is collegiality amongst staff members at Breed.
- To help with this collegiality staff members want more staff outings, staff luncheons, team building, and more time for staff socializing.
- 45% of staff members agreed that the district professional development has been meaningful and can be related to their classroom.
- Many teachers want PD consisting of SEL training as well as content specific PD.
- 50% of staff are happy at work
- Only 8% of teachers said they are NEVER too stressed at work.
• Staff rated our schedule as 3.84 out of 5 stars
• Majority of teachers would like to see lunches and/or C/D period change on the schedule next year
  • Five lunches
• Smaller Class Sizes
• Rotation of classes varies daily
• Flex Block/WIN Block
• 56% of teachers said YES they would prefer weekly early releases instead of monthly early releases.
STAFF RESULTS: STUDENT ENGAGEMENT

- Incentives/Rewards for Students
- Advisory
- Offering a choice for activities, courses
- Building in recreational activities into the daily schedule to enhance student interest
- More community partnerships
- Spirit Weeks and school-wide events
- Increase in extra-curricular activities
- Positive student-teacher relationships
- Incorporate culturally responsive curriculum
- Engage with parents and families
- Project-based learning
- Build breaks for students into schedule
GRADE 6

• 351/459 (76%) of 6th grade students took the survey.

• When asked if the students at Breed respect each other 26% of students responded "Yes", 70% responded "sometimes" and 4% responded "no".

• When asked a similar question about whether teachers respect students 80% of students responded "yes", 19% responded "sometimes" and only 1% responded "no".

• While 50% of students preferred to continue with the same block scheduling that is currently in place, 89% of students responded in favor of a weekly early release day.

• Regarding the topics of interesting course offerings and interesting teaching styles/deliver, 23% of students said yes, 72% said sometimes, and 5% said no.

• Afterschool programs were examined and rated by students only 31% of students rated the selection of activities a 3 or below however, many commented on the lack of variety in the category of sports team selections and opportunity (specifically soccer and volleyball).

• Based on 6th grades responses to the survey, their overall dissatisfaction is a result of the lack of interest in their courses while in school as well as the lack of interest because of the delivery methods used by teachers.
