Dear School Council,

As we are approaching our meeting, I feel like our time together would be better served on our original date of March 30, 2022. At this time, I don't have more to share other than to double down on our conversation from January offering you all to give input on any ideas for the budget. I have to have my proposal in by March 3<sup>rd</sup> and will be away for part of February break so I am asking if you have any ideas for consideration that you email back by February 17, 2022 at 2:30 p.m.

As discussed in January I have plans to ask for:

1. Additional Assistant Principal
2. 5 Teachers: English, Math, Chemistry, ESL & History (to lower student to teacher/ratios in response to our visioning activity and the want for smaller classes and more time to build relationships with peers and teachers.
3. Collaborative Seating for 1 wing of the school to start the move from traditional to collaborative seating
4. Furniture for the "fishbowl" area to encourage more inviting common areas (also from our visioning.)

I want to thank you all again for always making the time to partner with us on school improvement and other endeavors to improve student experience at LCHS. Looking forward to hearing any additional ideas that you would like our team to consider.

Thank you!

Amy Dunn  
Principal
