At the School Council preview and nomination meeting Mrs. Dunn and Mrs. Aiello gave a brief overview of the School Council expectations. “The School Council plays an advisory role in assisting the building principal to organize and implement a School Improvement Plan which not only addresses the areas in which the school intends to comply with the requirements of the Educational Reform Act, but also how the school intends to meet those system-wide goals and policies adopted by the school committee.”

Parents who attended the meeting were invited to join the School Council. They were asked to provide their contact information and nominations for voting privileges were made based on information submitted.
