1. Introductions

2. Establish Norms for the Meetings

3. Review of School Improvement Plan 2016-2017 and the current Action Plan 2019

There are two main focus areas for the current SY:

1. Increase Data Literacy Skills by formatively assessing student learning while the teaching is happening and responding to that learning by meeting diverse needs
2. Offer Professional Development to meet the needs of diverse students population

Recommended changes/additions:

- “Add observations, PLC notes and reflections” to both Target groups (English Learners and Students with Disabilities) under the method of monitoring progress.

- Implement the district’s professional development of strategies to assist the learning of English Learners and Former English Learners by building academic discourse opportunities

4. Discussion of Outreach to Family Community
